**"ORDINANCE ENACTING TWO-YEAR MORATORIUM PROHIBITING EXTENSION OF COLUMBUS  
CITY SEWER AND WATER PIPELINES INTO THE BIG DARBY WATERSHED"**

BE IT ORDAINED BY THE PEOPLE OF THE CITY OF COLUMBUS:

Section 1. Statement of Intent: This ordinance suspends City of Columbus sewer and water service infrastructure development within the Big Darby Watershed ("Watershed") for two years. The moratorium is intended to provide time for the City of Columbus and other governmental entities with land use jurisdiction in the Watershed to consider and / or implement a comprehensive land use development plan therein. The moratorium is also intended to protect the interests of all affected landowners against immediate residential and commercial construction that might be inconsistent with the provisions of any comprehensive plan that may ultimately be put in place.

Section 2. For a period of two (2) years from the effective date of this ordinance, the City of Columbus shall not permit any extension of Columbus City sewer and water pipelines into the Big Darby Watershed. For purposes of this ordinance, the Big Darby Watershed is defined commonly as that area of land whose natural surface water drains into the Big Darby Creek, the Hellbranch Run, the Clover Groff Ditch or the Hamilton Ditch, and is more particularly described for legal purposes as follows, to wit:

Hydrologic Unit Code Numbers 190, 200, 210, and 220 within Cataloguing Unit Number 05060001, Accounting Unit 050600, Subregion 0506 (Scioto River Basin), and Region 05 (Ohio Region) of the Federal Information Processing System, such Kydrologic Unit codes being more fully delineated and specified on the Map of the Big Darby Watershed within the Map of the Unified Watersheds & Associated Streams maintained by the Ohio Department of Natural Resources, Division of Soil & Water Conservation in cooperation with the Ohio Environmental Protection Agency, the United States Geological Survey, and the Natural Resources Conservation Service.

Section 3. So long as this ordinance remains in effect, the City of Columbus shall not enter into or amend any of its sewer and water contracts with the municipalities of Dublin, Grove City, or Hilliard, Ohio in a manner which would violate any of the provisions of Section 2 of this ordinance.

Section 4. This ordinance shall not be construed to prohibit, restrict, or limit the City of Columbus or the municipalities of Dublin, Grove City, or Hilliard, Ohio from conducting any and all reasonable land, sewer, or water management programs necessary to preserve and protect the public health within the area affected by this ordinance.

Section 5. This ordinance shall not be construed to invalidate or amend any of the terms and conditions of any sewer or water contracts between the City of Columbus, the municipalities of Dublin, Grove City, or Hilliard, Ohio, and any landowner within the Big Darby Watershed which contracts were executed in the manner prescribed by law on or before the effective date of this ordinance.

Section 6. If any landowner within the Big Darby Watershed can demonstrate undue hardship as a result of the enactment of this ordinance, such landowner may apply for a variance hereof with the appropriate City, County, or State Officials and this ordinance shall not operate to prohibit the granting of such requested variance, provided, that such variance does not violate the intent of this ordinance as stated in Section 1 hereinabove.

Section 7. If any provision of a section within this ordinance is held by a court of law to be invalid, such invalidity shall not render inoperative any other provisions of that section or any other sections which can be given legal effect absent the invalid provision and, to this end, the provisions herein are deemed severable."

To authorize the City Auditor to transfer \$29,450,000 of general obligation bonds from the City's Electricity Enterprise (Fund No. 550) to the City's Governmental General Long Term Obligations Account. (\$29,450,000)

WHEREAS, the City's trash burning power plant began operations in fourth quarter 1983 and ceased operations in December 1994; and,

WHEREAS, as a result of the closing, the asset (the lease of the plant to the Solid Waste Authority of Central Ohio) and the related General Obligation Bonds (\$117,550,000 outstanding at December 31, 1994) were removed from the City's Electricity Enterprise and transferred to the City's Debt Service Fund and the then General Long Term Obligations Account Group, respectively; and

WHEREAS, there remained \$59,100,000 of Revenue Bonds outstanding at December 31, 1994; and

WHEREAS, the Revenue Bond holders had a first lien on all revenues of the Electricity Enterprise, not simply revenues that might have been generated by the operation of the power plant; and

WHEREAS, this lien on all revenues of the Electricity Enterprise made it necessary for the Revenue Bonds to be accounted for in the Electricity Enterprise; and

WHEREAS, these revenue bonds were refunded in 2001 by the issuance of \$32,675,000 of General Obligation Bonds; the first lien on the revenues of the Electricity Enterprise no longer exists. Completion of the transfer of the remaining debt related to the trash burning power plant out of the Electricity Enterprise is now possible, but not obligated, and can now be accomplished; and

WHEREAS, payments of principal and interest on debt related to the power plant have been the major cause of the need for subsidies to the Electricity Enterprise. No subsidies were necessary from 1994 through 1998, however, in 1999 through 2001 subsidies have exceeded \$17.6 million; and

WHEREAS, transfer of this debt out of the Electricity Enterprise will cause the Enterprise to be responsible for and demonstrate its value to the City solely as an Electricity Enterprise without bearing the burden of debt related to the power plant. Debt related to the power plant will reach its final maturity in 2010. At December 31, 2002, there will remain \$77,453,000 principal and \$12,747,190 interest due on all bonds related to the power plant; and

WHEREAS, the amount of this transfer, representing the outstanding principal and interest on the General Obligation Bonds which refunded the earlier Revenue Bonds, will be \$29,450,000 principal with financial maturities in 2008 and \$5,431,606.32 interest; the amount of these bonds outstanding at December 31, 2001; and

WHEREAS, after passage of this ordinance future subsidies to the Electricity Enterprise for these debt service charges will be eliminated and any subsidies in the future will be solely attributable to the functions of the Electricity Enterprise; and

WHEREAS, this Council, pursuant to the recommendation of the City Auditor, directs the City Auditor to remove this debt from the Electricity Enterprise; and

WHEREAS, the net effect of the City's overall finances will be zero; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. The City Auditor is authorized to transfer \$29,450,000 General Obligation Bonds principal and related interest liability from the City's Electricity Enterprise Fund (Fund No. 550) to the Governmental Long Term Debt Account, effective January 1, 2002.
